OBJECTIVE

I am a Business Analyst with 5 years of post-qualification experience. I have a proven track record of saving companies substantial sums of money through business efficiencies and I am looking for a senior role in an SME.

QUALIFICATIONS

MSc Business Computing Systems (Merit)
University of Derby, 2001

BSc Business information systems (2:1)
University of Leicester, 1999

4 A levels (A, A, B, C)

WORK EXPERIENCE

2015 - 2018

SENIOR BUSINESS ANALYST

ACME CONSULTING LTD, LEEDS
My role was to help the company implement high-quality software solutions in a cost-effective and efficient manner by determining the requirements of a project and communicating them to stakeholders. I also supported the execution of user acceptance testing of system changes.

2012 - 2015

BUSINESS ANALYST

OBI WAN LTD, NOTTINGHAM
Working as part of an Agile development team operating within the Scrum framework, I was involved across the Software Development Lifecycle ensuring that products were delivered to a published roadmap within planned release cycles. I contributed towards the creation of robust and compelling project proposals.

2009 - 2012

JUNIOR BUSINESS ANALYST

YYZ CONSULTING, LEICESTER
My role was to actively contribute to the delivery of new products and changes to the existing product line; working on multiple projects concurrently. I examined existing business models, workflows, and product features to identify business problems and identify solutions.
