## Professional Profile

My sport and football career to date has enabled me to travel extensively & having lived away from home for long periods of time due to training I am able to integrate within any team environment. I am focused & dedicated to my fitness and health. I am seeking a new role due to relocation.

I joined Swindon Town at the age of 10 on their Under 10s Squad and continued to play for them until the age of 18, after which I was offered an Apprenticeship, where I progressed from the Youth Academy Team and later played for the reserves. I thoroughly enjoyed my time with Swindon town; a brilliant club that allowed me to flourish as a player and afforded me so many great training and match opportunities across the UK and abroad.

I achieved a number of FA Grassroots football awards during my time with Swindon including the Rising Star of the Year Award in 2006; awarded to individuals who contribute significantly towards football in the community, who acts with responsibility and encourages and supports others.

## Interests and Activities

---

Football has been my passion as soon as my father showed me how to kick a football in the local park. I come from a family of professional footballers; my dad and uncle both played for Oxford United and my twin brother also played for Swindon Town.

Alongside my football and during my time at Swindon, I have also dedicated my time to representing the club in the community and I completed a lot of voluntary work; including designing and delivering PE sessions to the local primary school and leading fundraising activities for the local animal shelter and hospice; of which Swindon Town were ambassadors.
