## Personal Statement

I am a competent early-years worker with a range of experience working with young children from pre-school through to primary school. I hold a C&G Level 3 Diploma in Playwork and I am over half way through completing a C & G Level 3 Early Years Educator Diploma. I am very passionate about making learning fun and delivering an exciting educational programme that makes children want to come to school every day. I am a very positive, upbeat individual with lots of energy who simply loves having the opportunity to make children's lives better.

## Employment History

### Pre School Assistant

Our Lady of Lourdes Pre-school, Derby

MARCH 2018 - DATE

In this role I provide support to the pre-school teachers, encouraging the children to explore and helping them learn while they play. I am constantly innovating with new activities that challenge and stretch the children's learning and development further. A big part of this role is also building and maintaining positive relationships with the parents.

I work 4 days a week and providing additional support to breakfast club and after school club when required.

While in this role I have been studying for the City and Guilds Level 3 Diploma for the Early Years Practitioner (Early Years Educator). I am about half way through my portfolio and have 36 credits.

### Play worker

Stepping Stones After School Club, Derby

JANUARY 2016 – FEBRUARY 2018 (12.5 HRS/WEEK)

In this role I work at a busy after school club that caters for children from 4 - 11 years old. I get to do a lot of arts and crafts, play with children and generally helping to make the club a great environment for the kids.

Whilst in this position I completed City & Guilds Level 3 Diploma in Playwork which helped me to develop the skills, knowledge and understanding necessary to provide and support the children's play needs and behaviours.

### Lunchtime assistant

Kingsley Preparatory School, Nottingham

JUNE 2014 – DECEMBER 2015 (7.5 HRS/WEEK)

I assisted in the supervision of children in both the dining areas and in play areas. In addition to generally supervising lunchtimes, I set tables for lunch, helped the children line up and dealt with first aid incidents. Quite often I would be a 'listening ear' to the children and would deal with the many little playground issues that arose, escalating them for more serious issues. I attended several training days including First Aid and Food Hygiene training.
